

MAHENDRA PRATAP

Computer Science & Artificial Intelligence Student | Software Development | AI/ML

Rajkot, Gujarat, India | LinkedIn: [linkedin.com/in/mahendra-pratap-601003288](https://www.linkedin.com/in/mahendra-pratap-601003288) | GitHub: github.com/mahendrapratap23

PROFESSIONAL SUMMARY

Computer Science student at Marwadi University with hands-on experience building web applications and academic projects across software development, AI/ML, data structures, algorithms and problem solving. Experienced with TypeScript, Python, JavaScript, Git/GitHub and modern web development. Built and shipped practical products including Trackly and Ghumo AI. Strong interest in software engineering, artificial intelligence, full-stack development and building usable products.

EDUCATION

Marwadi University, Rajkot, Gujarat — B.Tech, Computer Science / Artificial Intelligence & Machine Learning | 2024–2028

Relevant coursework: Data Structures & Algorithms, Design & Analysis of Algorithms, Machine Learning, Artificial Intelligence, Database Management Systems, Software Engineering, Computer Networks.

TECHNICAL SKILLS

Languages	Python, C, C++, JavaScript, TypeScript, SQL
Web / Software	HTML, CSS, React, modern web development, REST APIs
AI / ML	Machine Learning, Artificial Intelligence, Generative AI, data analysis
Developer Tools	Git, GitHub, VS Code, Jupyter Notebook, Firebase
Core CS	Data Structures, Algorithms, OOP, DBMS, Computer Networks, Software Engineering
Other	UI/UX, responsive design, technical documentation, problem solving

SELECTED PROJECTS

Trackly — Personal Progress Tracking Web App

TypeScript | Web Development | Firebase | Charts

- Built a flexible tracking platform for fitness, habits and study progress. Designed custom trackers with multiple metrics and visual progress charts; implemented authentication and a practical MVP architecture using local storage/Firebase. Designed the product around a Free/Pro subscription model.

Ghumo AI — Travel Planning Web Application

TypeScript | Maps | Travel Planning | UI

- Developed a travel-planning application combining trip organization, maps, checklists and budget planning in one workflow. Focused on a clean user experience and practical travel-management features.

College Practical Codes

Python | Jupyter Notebook | DAA | Machine Learning

- Maintained a structured collection of academic implementations covering machine learning, artificial intelligence and Design & Analysis of Algorithms practicals, including sorting, searching, heaps and dynamic programming.

CERTIFICATIONS & LEARNING

- Oracle Cloud Infrastructure 2025 Certified AI Foundations Associate
- IBM Artificial Intelligence Fundamentals
- Cisco Networking Academy — CCNA Networking
- Cisco Networking Academy — Cloud / CCNP coursework
- University of Michigan — Problem Solving Using Computational Thinking
- LinkedIn — Data Analyst / Generative AI learning credentials
- NPTEL-IIT Kharagpur — Digital Electronics

PUBLICATIONS

Ahimsa: The Path of Animal Welfare — Published on Amazon Kindle, 2024. Authored a book exploring animal welfare and the relationship between ethics, society and animals.

ADDITIONAL

Languages: English (Professional) | Hindi (Native/Bilingual) | Gujarati (Elementary) | Punjabi (Limited)

GitHub: 5 public repositories including Ghumo AI, Trackly, college practical codes and software engineering coursework.
